AMS ships product based on availability from the manufacturer. Due to the uncertain nature of future supplies, AMS will not be held liable for delays or product shortages. In the event AMS is unable to supply any quantity of flu vaccine under an accepted purchase order, Customer's purchase commitment shall be reduced by the quantity not-delivered, and such reduction shall constitute Customer's sole remedy arising out of AMS's inability to deliver, notwithstanding anything to the contrary in any supply agreement between AMS and Customer. Additionally, in no event shall AMS be liable to customer for incidental, special or consequential damages (including lost profits) from any cause, including without limitation, damages resulting from any unavailability of, defect in, or mis-shipment of products.
